7. Игра. Учащимся выдаются значки со схематичным изображением официанта и посетителя в равных количествах. Учащиеся одевают значки, выходят к доске, где есть достаточно места, где можно двигаться.

Официантам дают разные меню, а посетителям опорную схему для разговора. Звучит музыка, учащиеся ходят, как только музыка прекращается, то учащиеся находят ближайшую пару и проговаривают диалог. Через 2 раза по команде учащиеся меняются ролями и повторяют еще 2 раза.

Teacher: Lets go to different cafes and come into different restaurants. We have 2 groups: waiters and customers. The music is playing, you are walking. When the music stops, find the pair and choose the dishes you like from the menu. Repeat 2 times, then change the roles.
